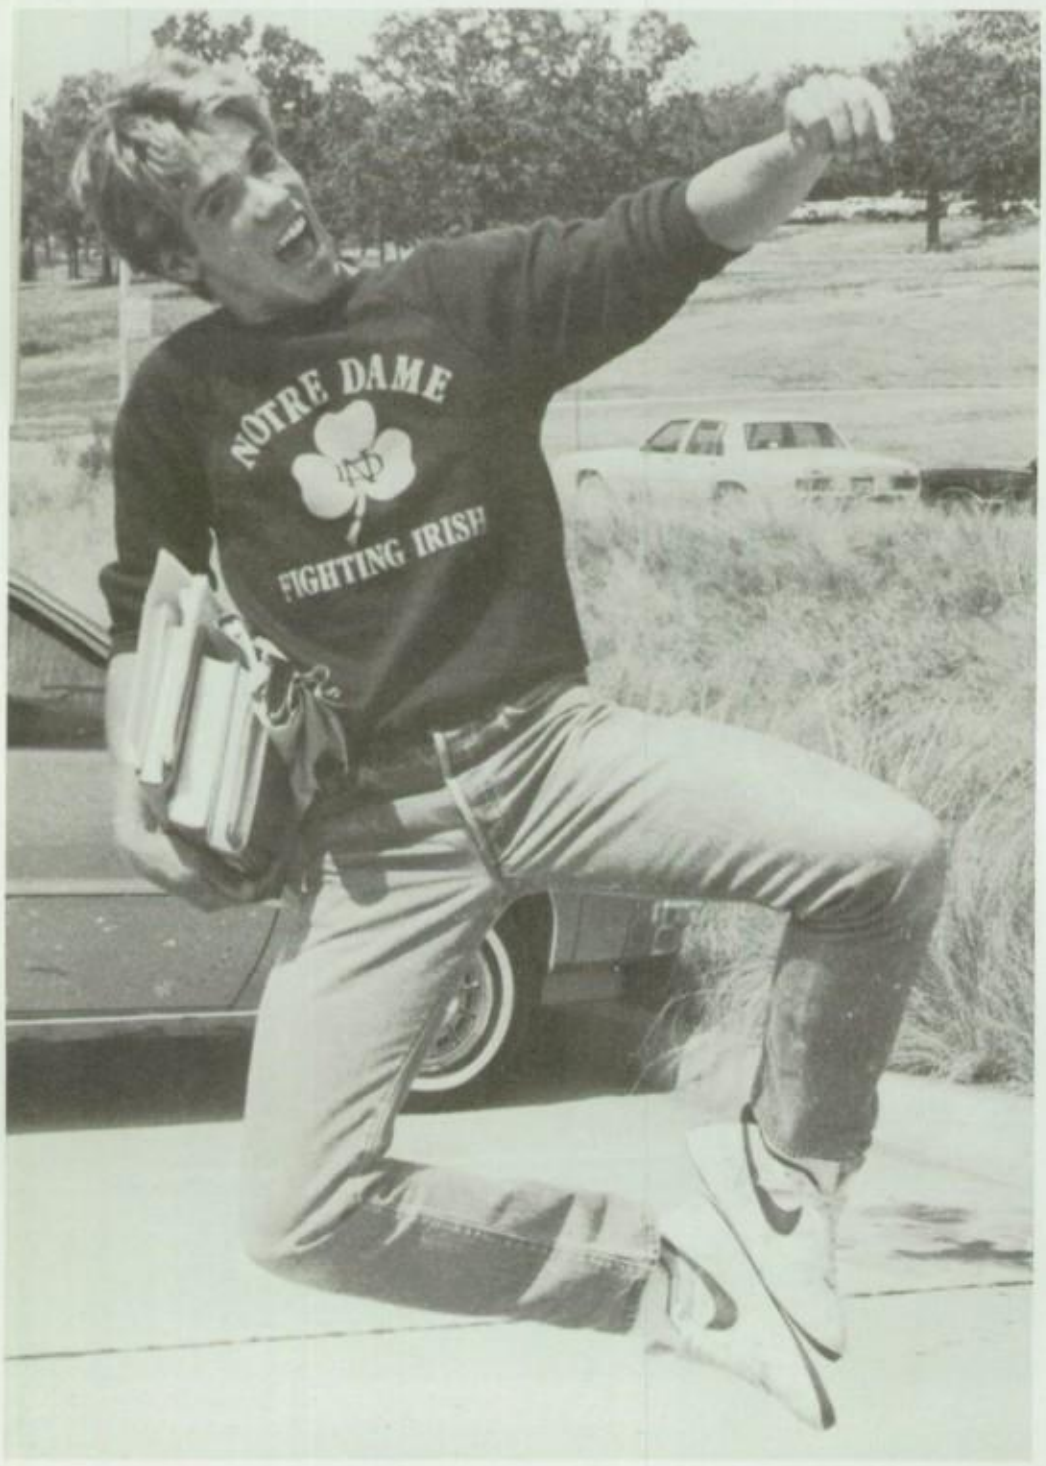
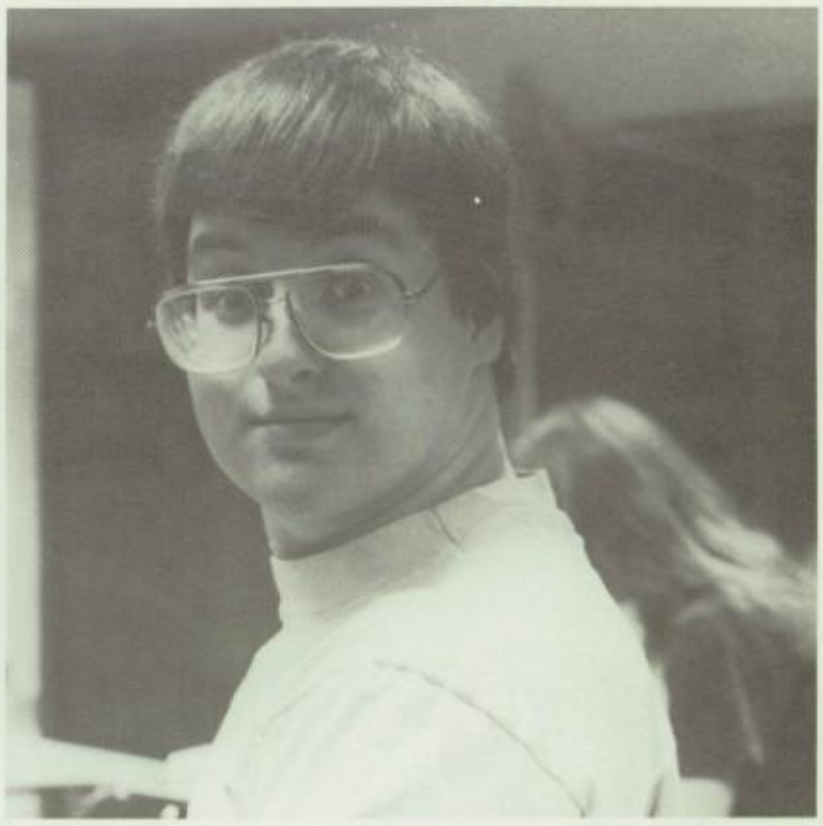
Remember spending time with that special person . . . someone who understands your past, and accepts you today just the way you are.

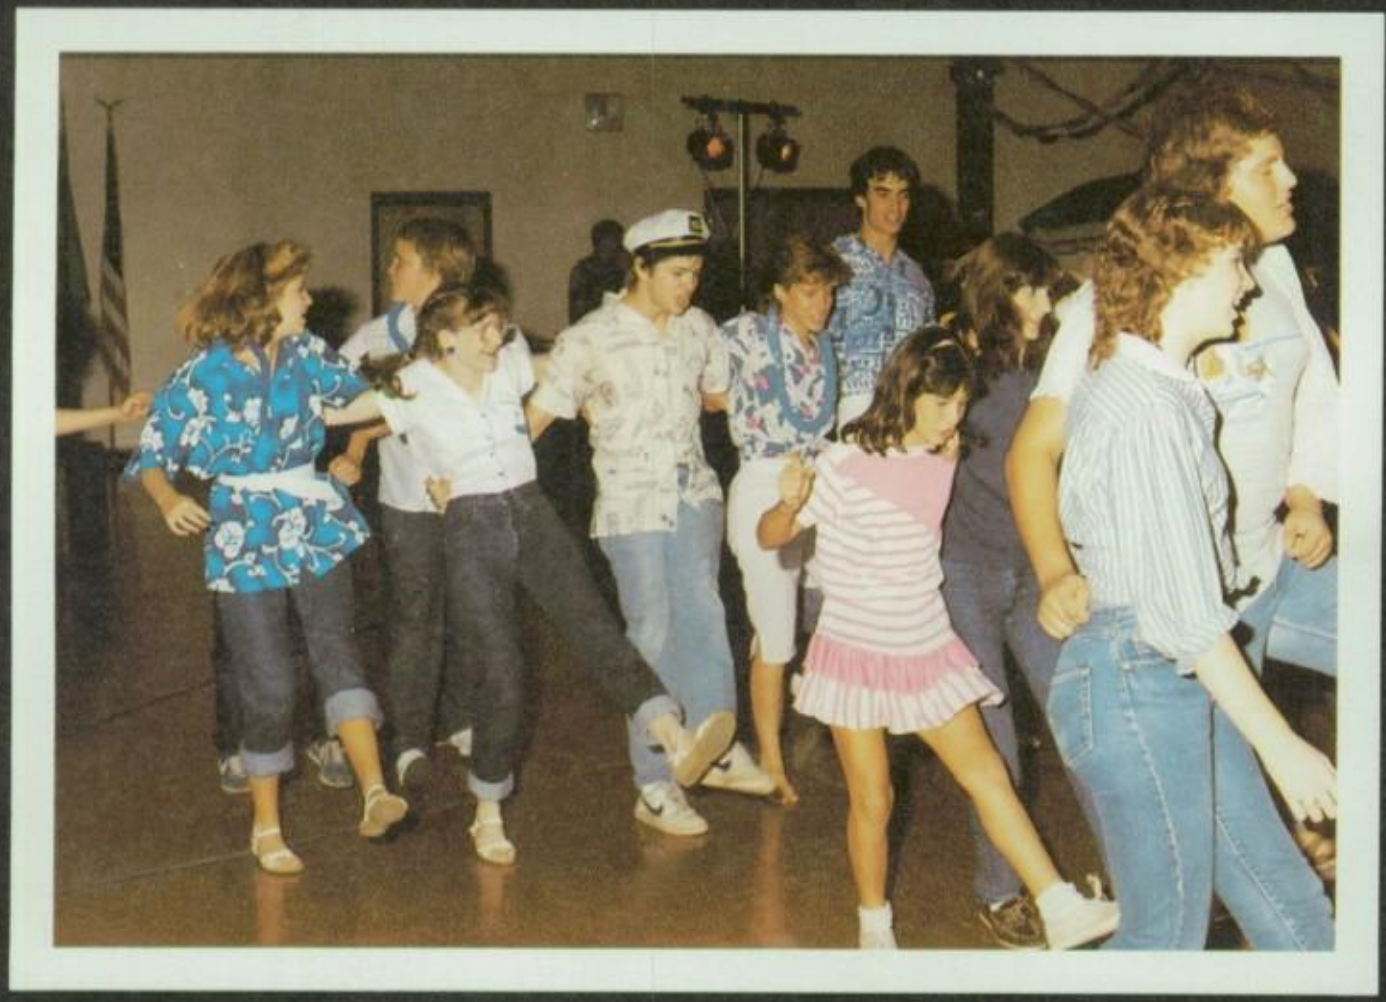
A friend is there before you know it
To lend a hand before you ask it
And to give you love just when you
need it most



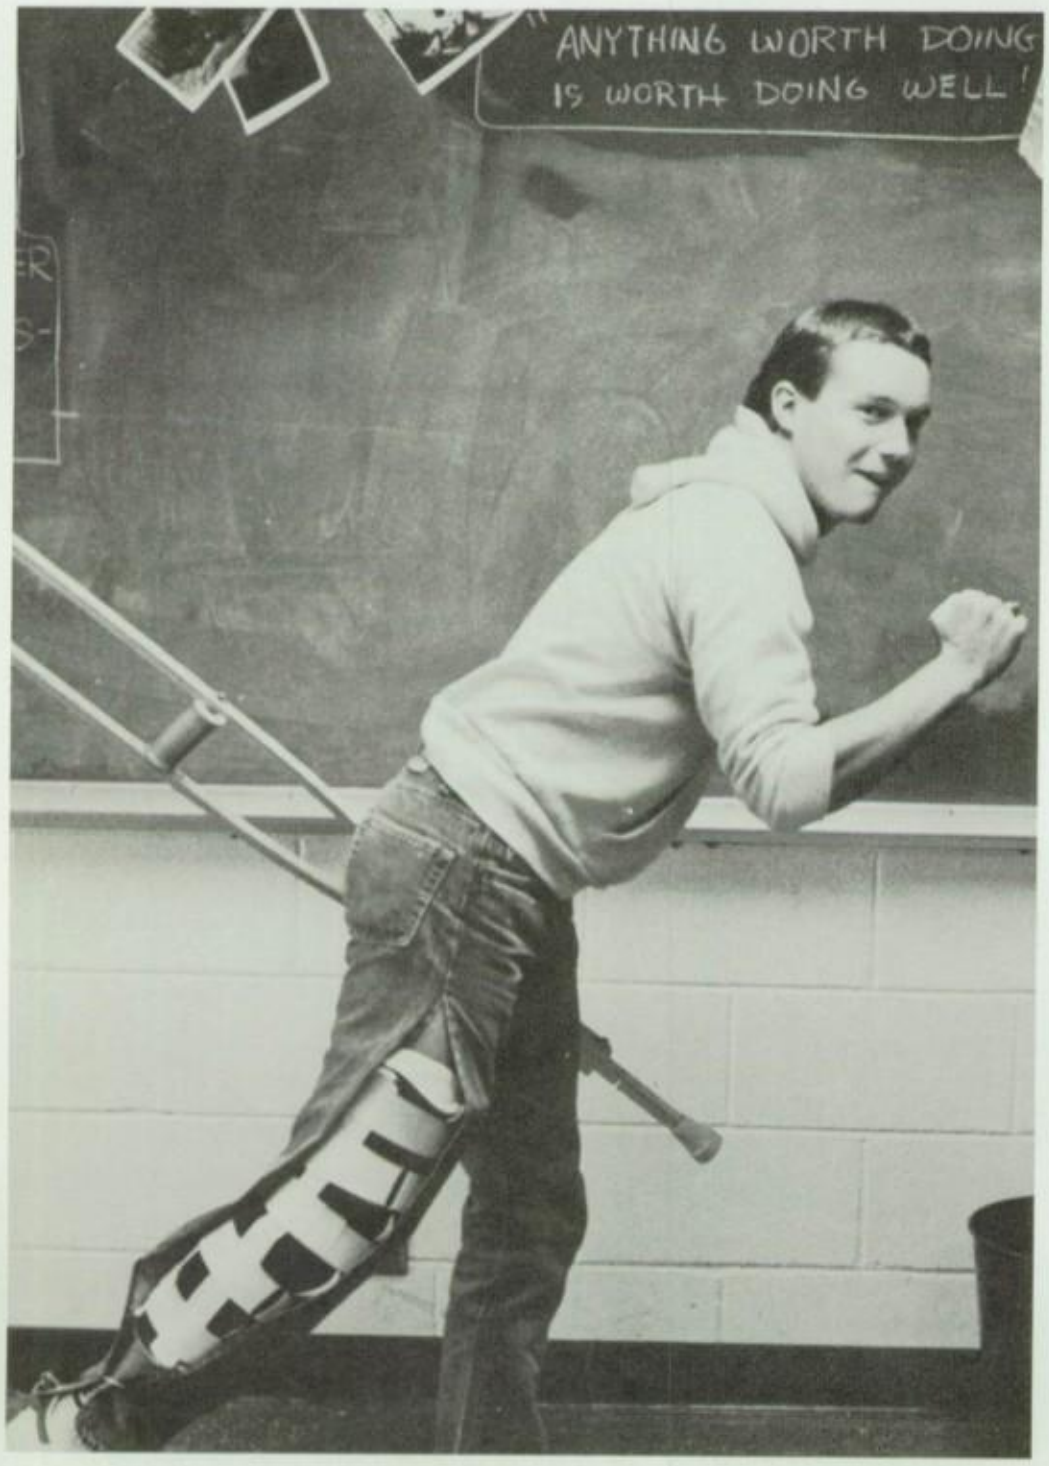
NOTRE DAME
FIGHTING IRISH



Our brightest hopes
Our darkest fears
Our loudest laughs
Our softest tears
Our sweetest dreams
Our bitterest woes
Our highest highs and lowests lows
A growing love always aware
The more we share
The more we care.



Let me be free . . .
To think my own thoughts
To choose my own way
To be my own person.



ANYTHING WORTH DOING
IS WORTH DOING WELL!

Always striving to be what we are and to become what we are capable of being.

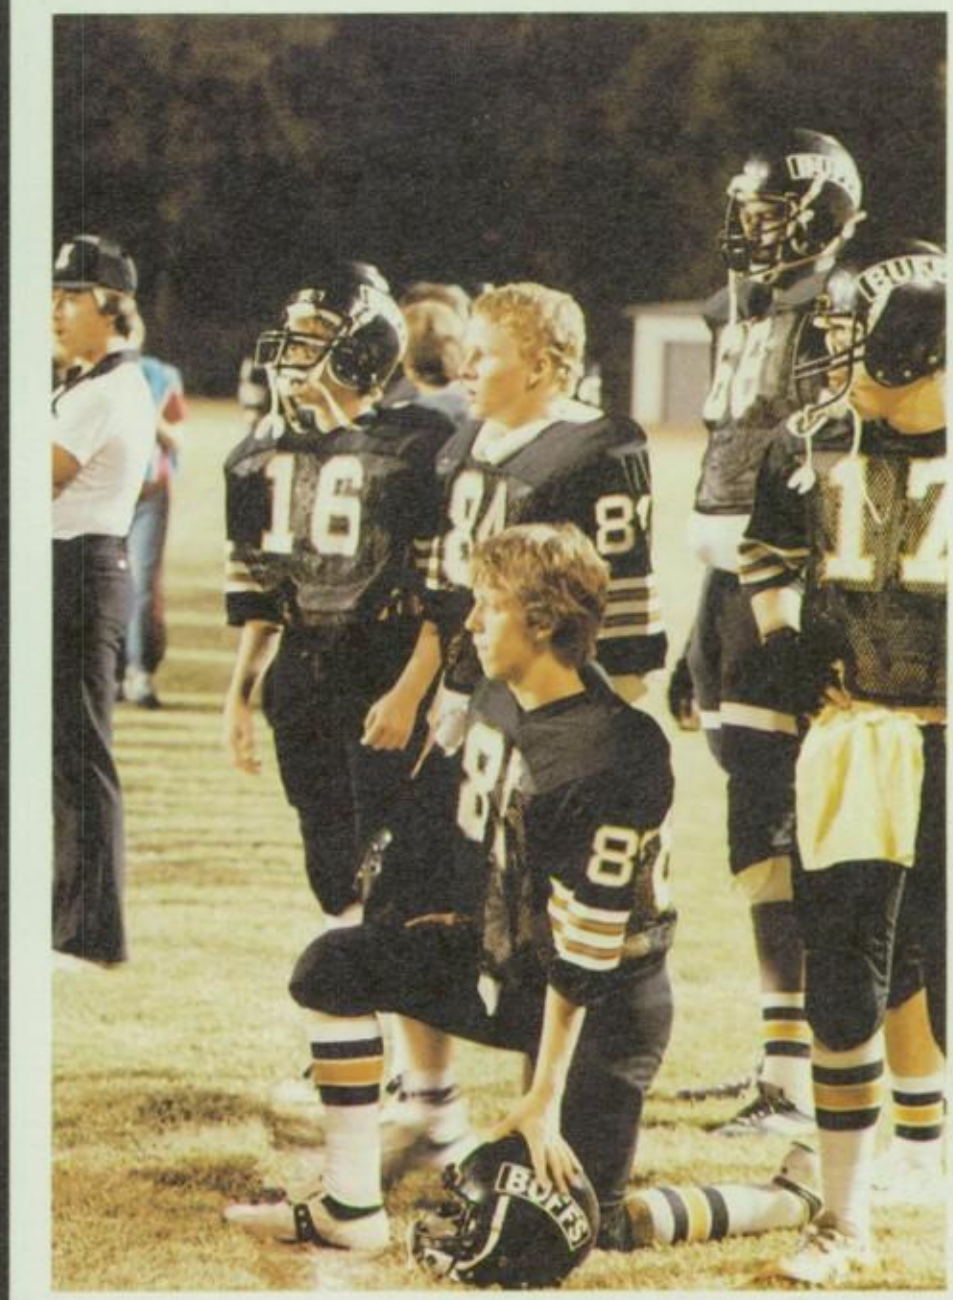
Remember those Friday night games . . . no matter what the weather was like, we always showed up to cheer our Buffs on to VICTORY!!



So many memories to
cherish . . .
so much to look forward to.

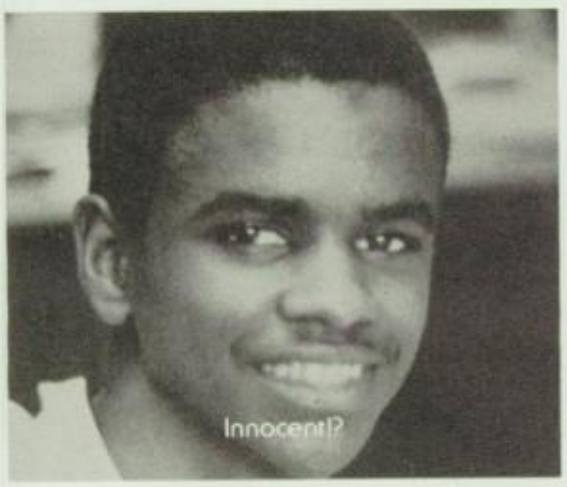
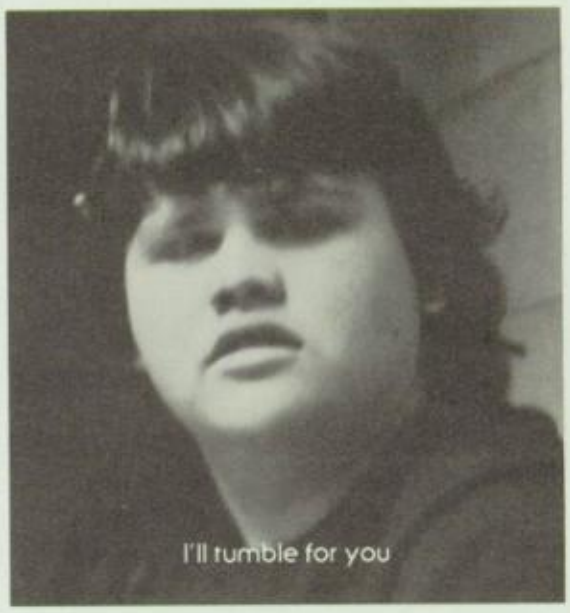
Watch Out



Innocent?

"GO AWAY"



I'll tumble for you

Staring in the mirror, my eyes look back at me,
But my reflection doesn't hold the key.
The key to doors unknown, the key to success.
The things in this world it takes to be the best.

Starting out on the long, long road of life,
Memories of laughter and of friends.
Looking ahead it will never be the same.

No one knows the future it can't be told,
You might end up changing this world around,
You must have strength: Be brave, be bold.
Untie the peace that seems to be bound.

It's the end of the beginning, the start of the end.
You know if ever you're in trouble I'll always be your friend.
Time has come and gone but my memories hold true.
Through out life I'll always remember you.

Starting out on the long, long road of life,
Memories of laughter and of friends.
Looking ahead it will never be the same.

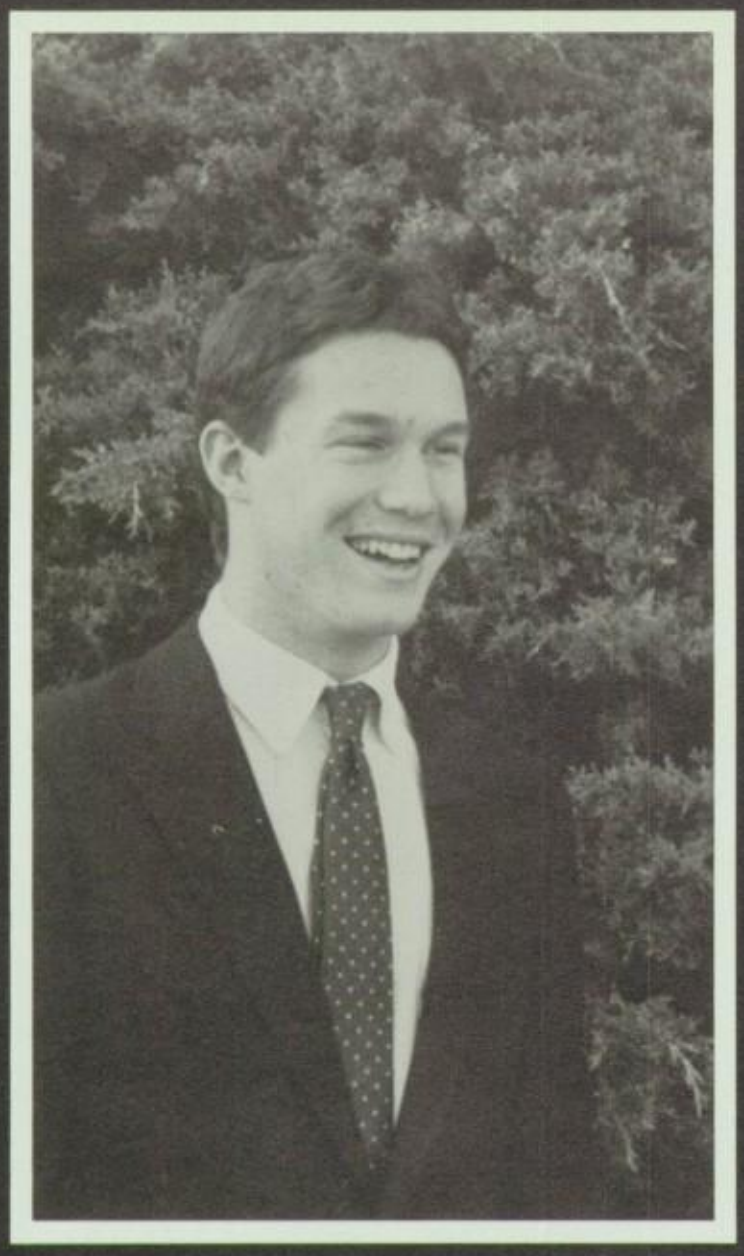
JOHN O'BRIEN



JOHN O'BRIEN

THE BEST OF 1984!

JULIE STEIDLEY

The 1984 "Best All Around" Seniors are John O'Brien and Julie Steidley. Both of these outstanding Seniors excel in academics as well as in extra-curricular activities. While John was playing football for the Buffs, Julie was on the sidelines cheering. They are both in the National Honor Society, of which Julie is President and John is Vice-President. Both of these Seniors stand for what the "Best All Around" superlatives should be.

National Honor Society Is on Top of the World!

I pledge myself to uphold
The high purpose of the National Honor Society
To which I have been elected,
Striving in every way
By word and deed
To make its ideals the ideals of my school
And of my life.

I pledge to maintain my high scholastic standing
To hold as fundamental and worthy
An untarnished character,
To endeavor intelligently and courageously
To be a leader
And to give of myself freely in service to others
In doing so, I shall prove myself worthy
Of a place in the National Honor Society.

BUFFS

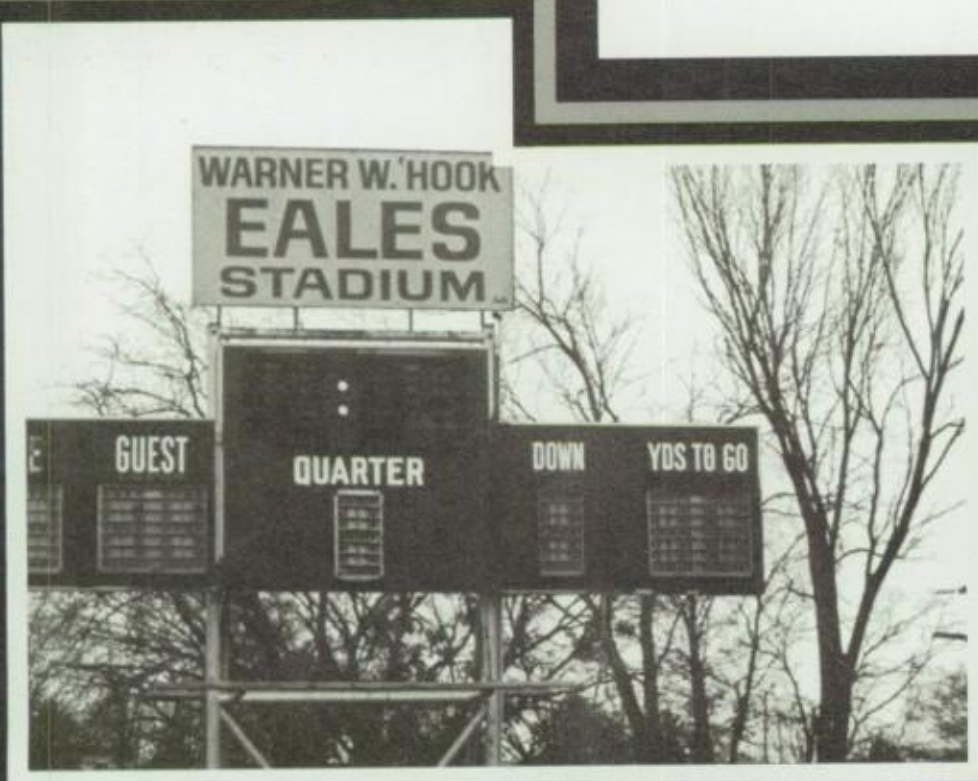
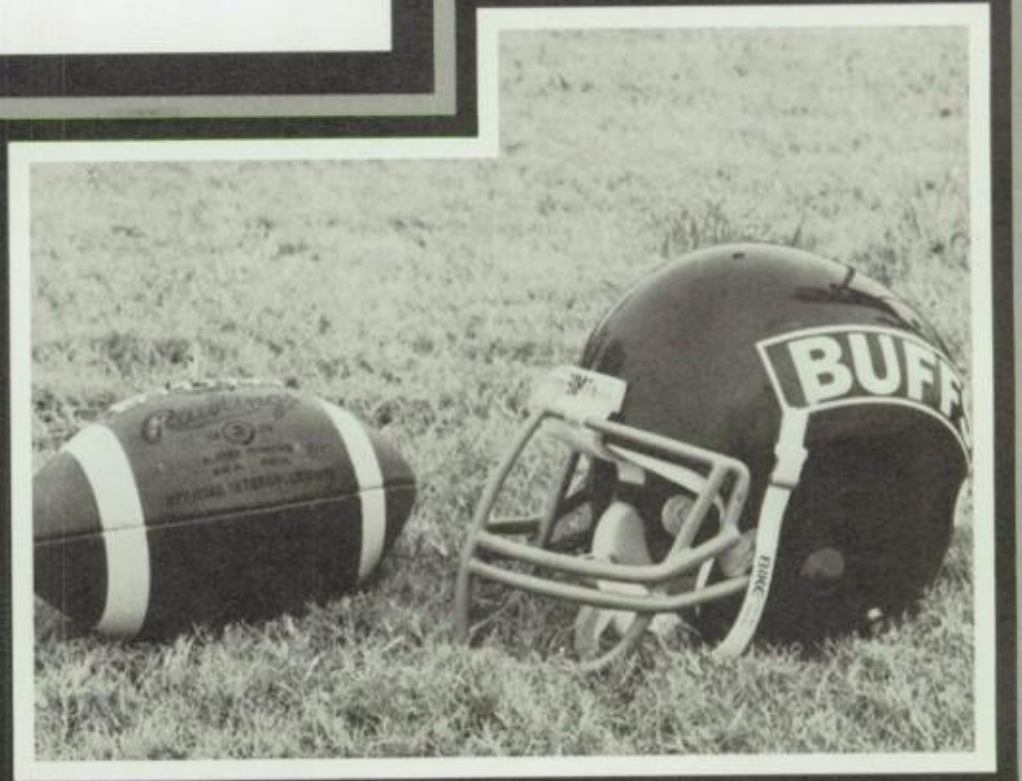
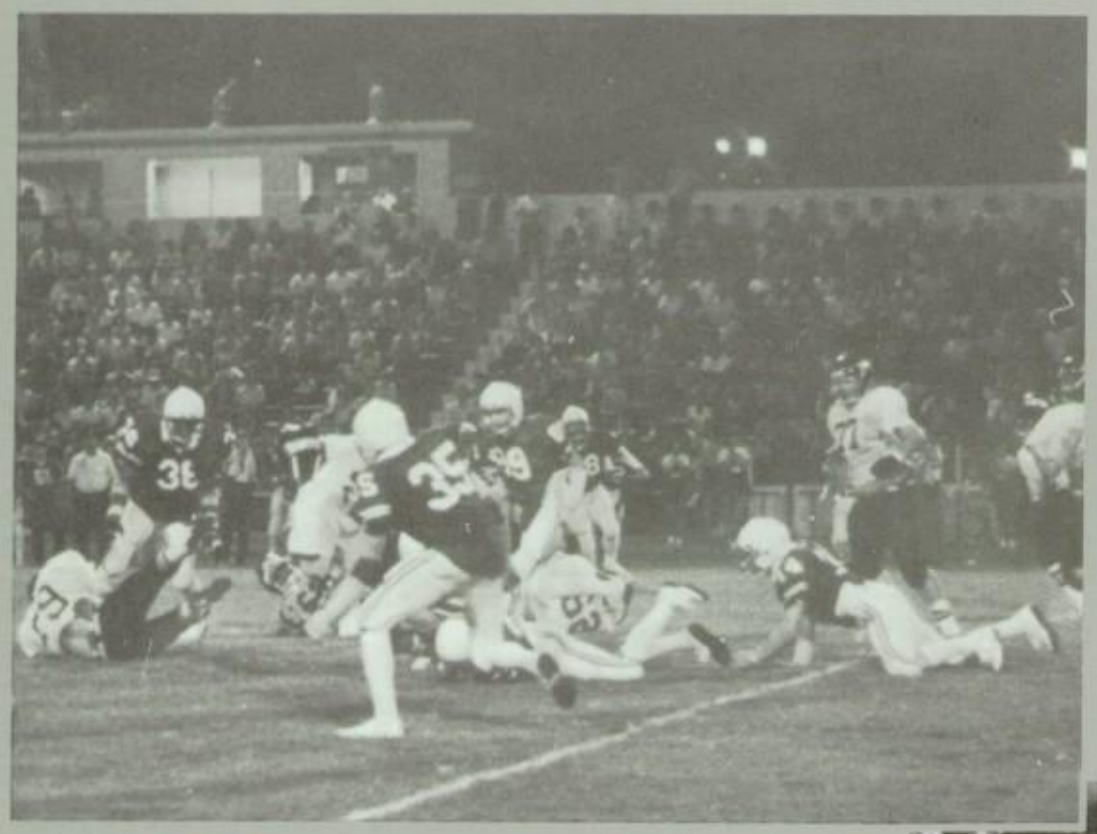
GET TOUGH



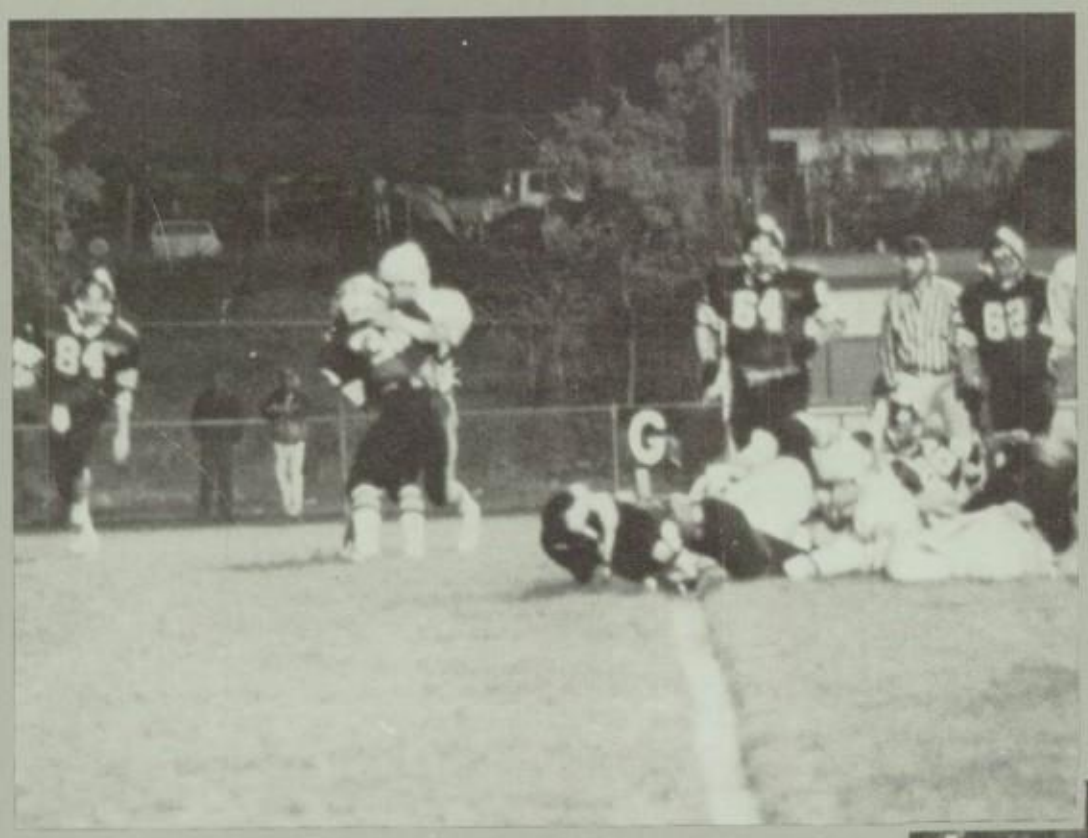




The Buffs opened their season with a disappointing, overtime loss to defending state champs, the Ardmore Tigers. The score was tied 10-10 at the end of the 4th quarter and forced the game into overtime. The Tigers scored a field goal to make the final score 13-10.

The Buffaloes won their next two contests in front of a home crowd. Arch rival, the Ada Cougars, were turned away with two key interceptions by Lee Brown, two touchdowns by Don Smitherman, and a field goal by Todd Martin. The final score was 16-6. The next week the Buffs took on the Wewoka Tigers. The scoring was lead by 3 Smitherman touchdowns, as they defeated the Tigers 21-7.

This year's homecoming was a thriller. The 0-4 Kelley Comets were hungry for a win and wanted revenge from a Buffalo stampede of their homecoming a year ago. It was a tough game, but the Buffs pulled it out in overtime to win 20-17. The next week the Buffaloes traveled to Choctaw. The McAlester offense proved potent and the Buffs won their fourth game of the season by a score of 27 to 7.



The Buffs traveled to Shawnee and fell to a tough club. Our momentum was quickly halted by a quick 14 point lead by the opponent in the first quarter. The teams played close football in the last half, but the Buffs could not pull it out as they lost 24-13. The Buffaloes lost a close game to the unbeaten Broken Bow Savages. Smitherman scored two touchdowns and O'Brien hauled in a 45-yard bomb in a valiant effort. But the Savages held on for a 33-25 win.

McAlester fell to Okmulgee in the final quarter of the game. The Buffs held a 7-6 lead thanks to a Smitherman touchdown and a Martin PAT, but a freak play occurred when a fumble was caught in mid-air and run in for the clinching score. Okmulgee won 13-7. The Buffaloes went to Sallisaw for the last regular season game. The Buffs had to win the contest by 13 points in order to get a playoff birth, but the Buffs lost a tough battle by a score of 13-21.

The Buffaloes ended the season with four wins and six losses. It was a season of injuries and bad luck. The record is misleading to the effort of the team. Best wishes to the coaches and Buffs of 1983.

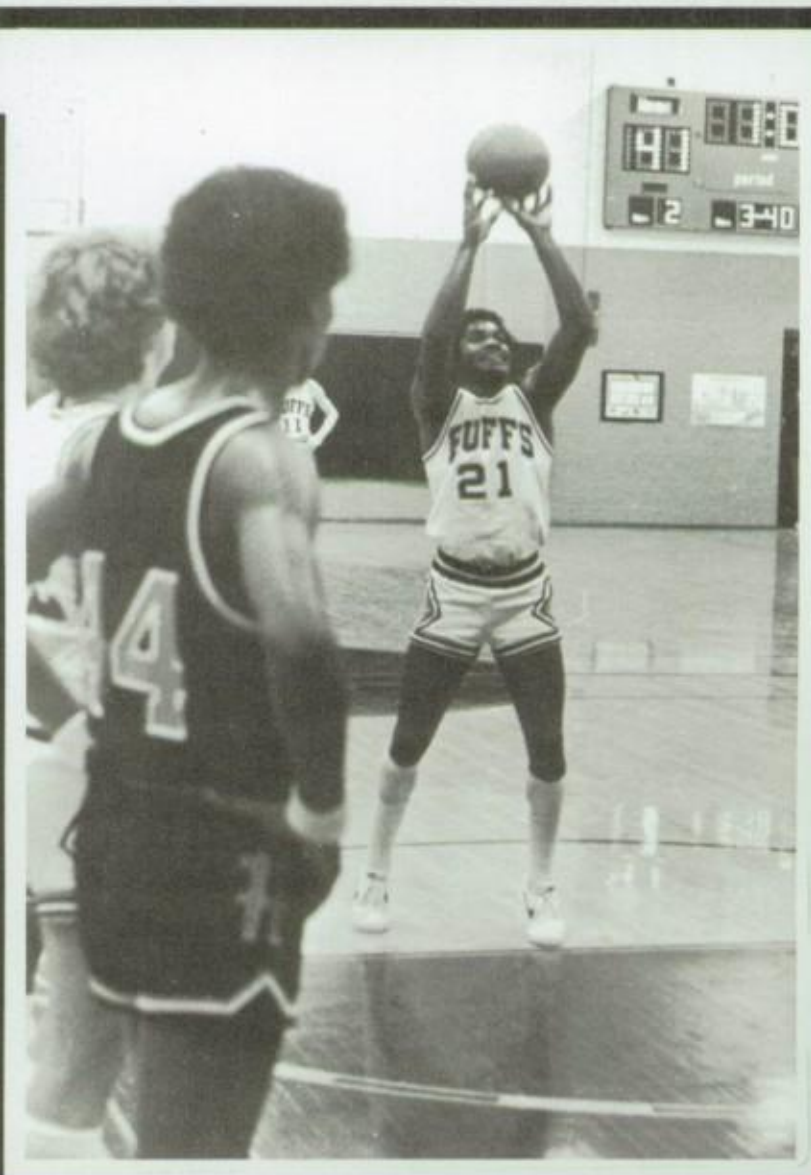
ACTION



"1983-1984 Basketball season has been and will be an exciting one. We are small but quick and shoot the ball well. This should be one of our best years. We have five seniors who have shown great leadership. They will do all right in this world."

– Coach Chuck Stephens

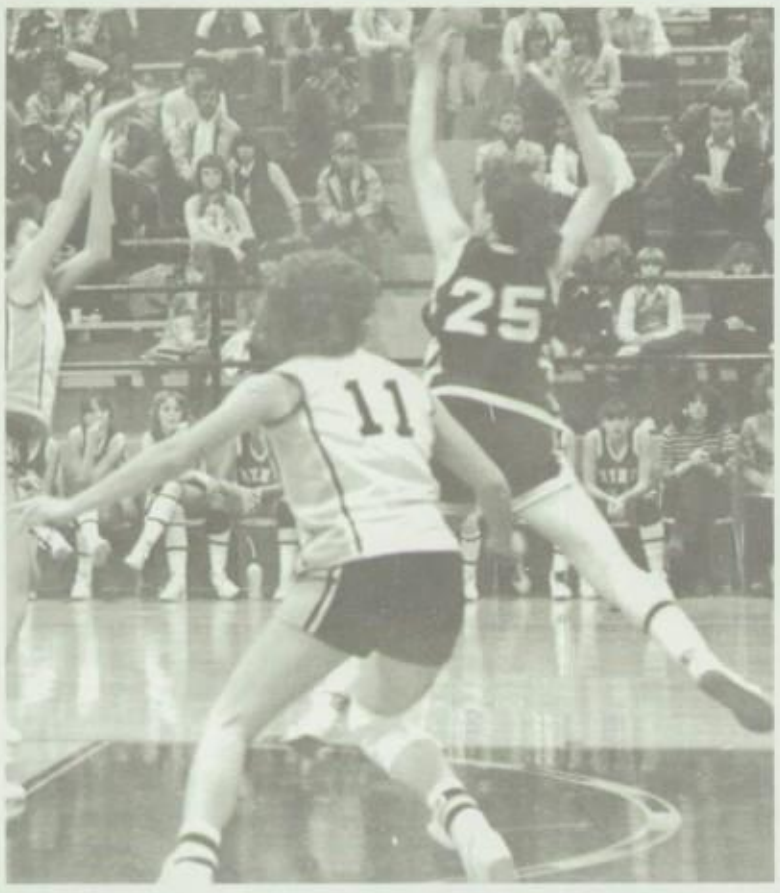
REACTION



"The Lady Buffs have worked very hard this year to try to duplicate the efforts of last season. The effort has been there, but the loss of three stellar senior players has been hard to overcome. Our lack of experience on the forward end has kept us from having a great year. We have some very good players who returned from last year's team, and we feel by the time the play-offs get here, we will be playing to our potential."

BUFF WRESTLERS GRAPPLE ON

"The 1984 season is the tenth for the McAlester wrestling program. With the leadership of senior co-captains Rob Haney, who wrestles in as many as three different weight classes and Jeff Burke, who leads the team in falls going into the Regional Tournament, the tenth edition of the Buffalo wrestling team is an example of what McAlester fans have become used to – aggressiveness, skill and excitement. These fans saw the McAlester freshmen team snare a fourth place finish in the State Championships. Kyle Rosebure led the way with his fourth consecutive state title, while teammate Chris Cuzalina took runner-up."

TENNIS ANYONE?

"The 1984 girls and boys tennis season should be an exciting one. The boys team returns 5 of their top six players from last years team, which was the only team in the Pryor regional to qualify everyone for the state tournament. The boys should be one of the top 3 or 4 teams in the state in class 4a and with a lot of hard work should contend for this years state title.

The girls return 3 of their top six players from last year but could also be tougher with the addition of several players who have competed during the summer tennis program and in tournaments across the state the last two summers."

Coach Dave Lewis

The McAlester High School baseball program fell under new leadership in 1983-84. Dave Lewis began his first year as mentor of the Buff Baseball Program.

"Th boys began practice in mid-January determined to fill the void left by five graduated starters. All of the middle defense, most of the pitching staff, and several good hitters were gone.

"The boys have worked extremely hard and are determined to have a successful season. There are many holes to fill, but with good attitudes, hard work, talent, and good leadership the baseball squad will have an enjoyable and successful season."

GOLF GETS IN THE SWING OF THINGS

"The Golf Team will be young this year. We only have three players who played much last year coming back on this years team. We still feel we will have a good golf team. We have been in the state tournament the last 4 years and this group will try to make it five in a row."

"The 1984 Lady Buff track team will be very young, but competitive. This year's team will field very few upper classmen. Practices have been very demanding but will be rewarding, hopefully. We should get stronger as the year goes on."

– Coach Chris McMullen

"The 1984 track got out to a good start this year with the indoor meet at the Myriad in Oklahoma City. With a little luck and no injuries we should finish strong in state."

CHOIR ACTION

The McAlester High School vocal department is under the new direction of Mr. Jerry Layman with the accompanist of Mrs. Susan Roberts. The choir makes up four major groups: Concert Choir, Showchoir, Girls Choir and Mixed Choir. To participate in Concert and Showchoir, you must audition with the director. This year's Showchoir has performed at all home assemblies. Usually singing songs to match each spirit day. One of the main events of Concert Choir was the trip to Oklahoma City to visit the state capital. During their visit Governor Nigh declared December 15 as M.H.S. Concert Choir Day.

BAND IN ACTION

The band department is also under new direction. From the drum players standing on their heads to running laps, Director Derle Long has added a little jazz to this year's marching band. The instrumental department makes up three major groups: Marching Band, Symphonic Band, and Orchestra. Without the Band the football half-time and pep assemblies would not be the same. Blessed with talent and desire the band is working hard for a common goal – to be the best it can be.

1984 DANCING RABBIT STAFF

A lot of work goes into the making of a yearbook. It takes approximately 2,000 hours of work in class and out of class. Many nights we stayed up until all hours doing what seemed to be a never ending job of digging through hundreds of pictures, breaking rulers, destroying pencils and upsetting the trash cans.

"Where's some croppers?", "I need this page signed," "You're wrong, I know that's who it is," "I need some action shots now, not 6 months from now," "Mr. Chandler, listen to ME!", "Where's Mr. Chandler?", "Mr. Chandler, you're not listening to me," "Forget it, Mr. Chandler, I already did it myself!!", "It's midnight and I was supposed to be home at eight!"

After many days of hard work and many nights of extra hard work, along with the consumption of cookies and cokes, the 1984 Yearbook Staff has brought you this fantastic yearbook. Sometimes we wonder if it was all worth it, but with a staff like this one we couldn't go wrong! Deadlines have been met and many hours of sleep have been missed. All we have to say is . . . Enjoy!!!

INDUSTRIAL ARTS STUDENTS LEARN NEW SKILLS

Tommy Henry, Jimmy Vercelli, Tray Ardease, Larry Young, Donnie Weddle, David Crow, Mr. Ichord.
2nd ROW: Larry Long, John VanMeter, Tracy Free, Roger Woody, Thomas Potter, Mimi Brown, Terry Long, Glen Mariott.

The Industrial Arts Club, has provided woodworking and drafting students with a wider perspective of the industrial arts. Stress is place on developing manual skill and gaining a familiarity with tools and machines. Planned activities include field trips and guest speakers at the club meetings. The students increase their knowledge and learn new techniques that will be beneficial in further study of these vocations.

GOLDEN "M" PLAYS THE PART

David Rose, Gerrick Johnson, Tom Baker, Trenton Sherrell, Paula Cross and Mr. Brewer.

Golden M, the MHS drama club, once again this year has moved forward in its continuing struggle to achieve excellence in the performing arts. Members performed roles onstage, served as crew members and worked diligently over many long hours to better their own performances and create a program second to none.

Productions for the department this year include Witness for the Prosection, This Property is Condemned, Barefoot in the Park and the 1983-84 musical, Li'l Abner.

QUILL AND SCROLL CLUB REORGANIZED

Quill and Scroll members are: Tutti Patterson, Glenda Cottier, Kathy Bisanar, Karla Miller, Lou Brewer — sponsor, Joel Duncan, Darrell Hodges, John O'Brien, Steve Miller, Trent Trimble, Vincent Prichard.

Quill and Scroll, the international honorary society for High School journalists, was re-organized this year to benefit those students who are involved in any phase of journalism. The club was originally organized in 1926 by a group of high school advisors for the purpose of encouraging and recognizing individual student achievement in journalism and scholastic publications. Since its organization, charters have been granted to more than 12,000 high schools in all 50 states and 32 foreign countries.

Membership is limited to juniors and seniors who must have done superior work in some phase of journalism or school publications work. They may be staffers of newspaper, yearbook, magazines or news bureaus. They must also be recommended by the advisor and approved by the executive secretary.

Members of the McAlester High School chapter worked toward making their organization an effective service organization. Their plans include working in cooperation with other high school organizations throughout the school year.

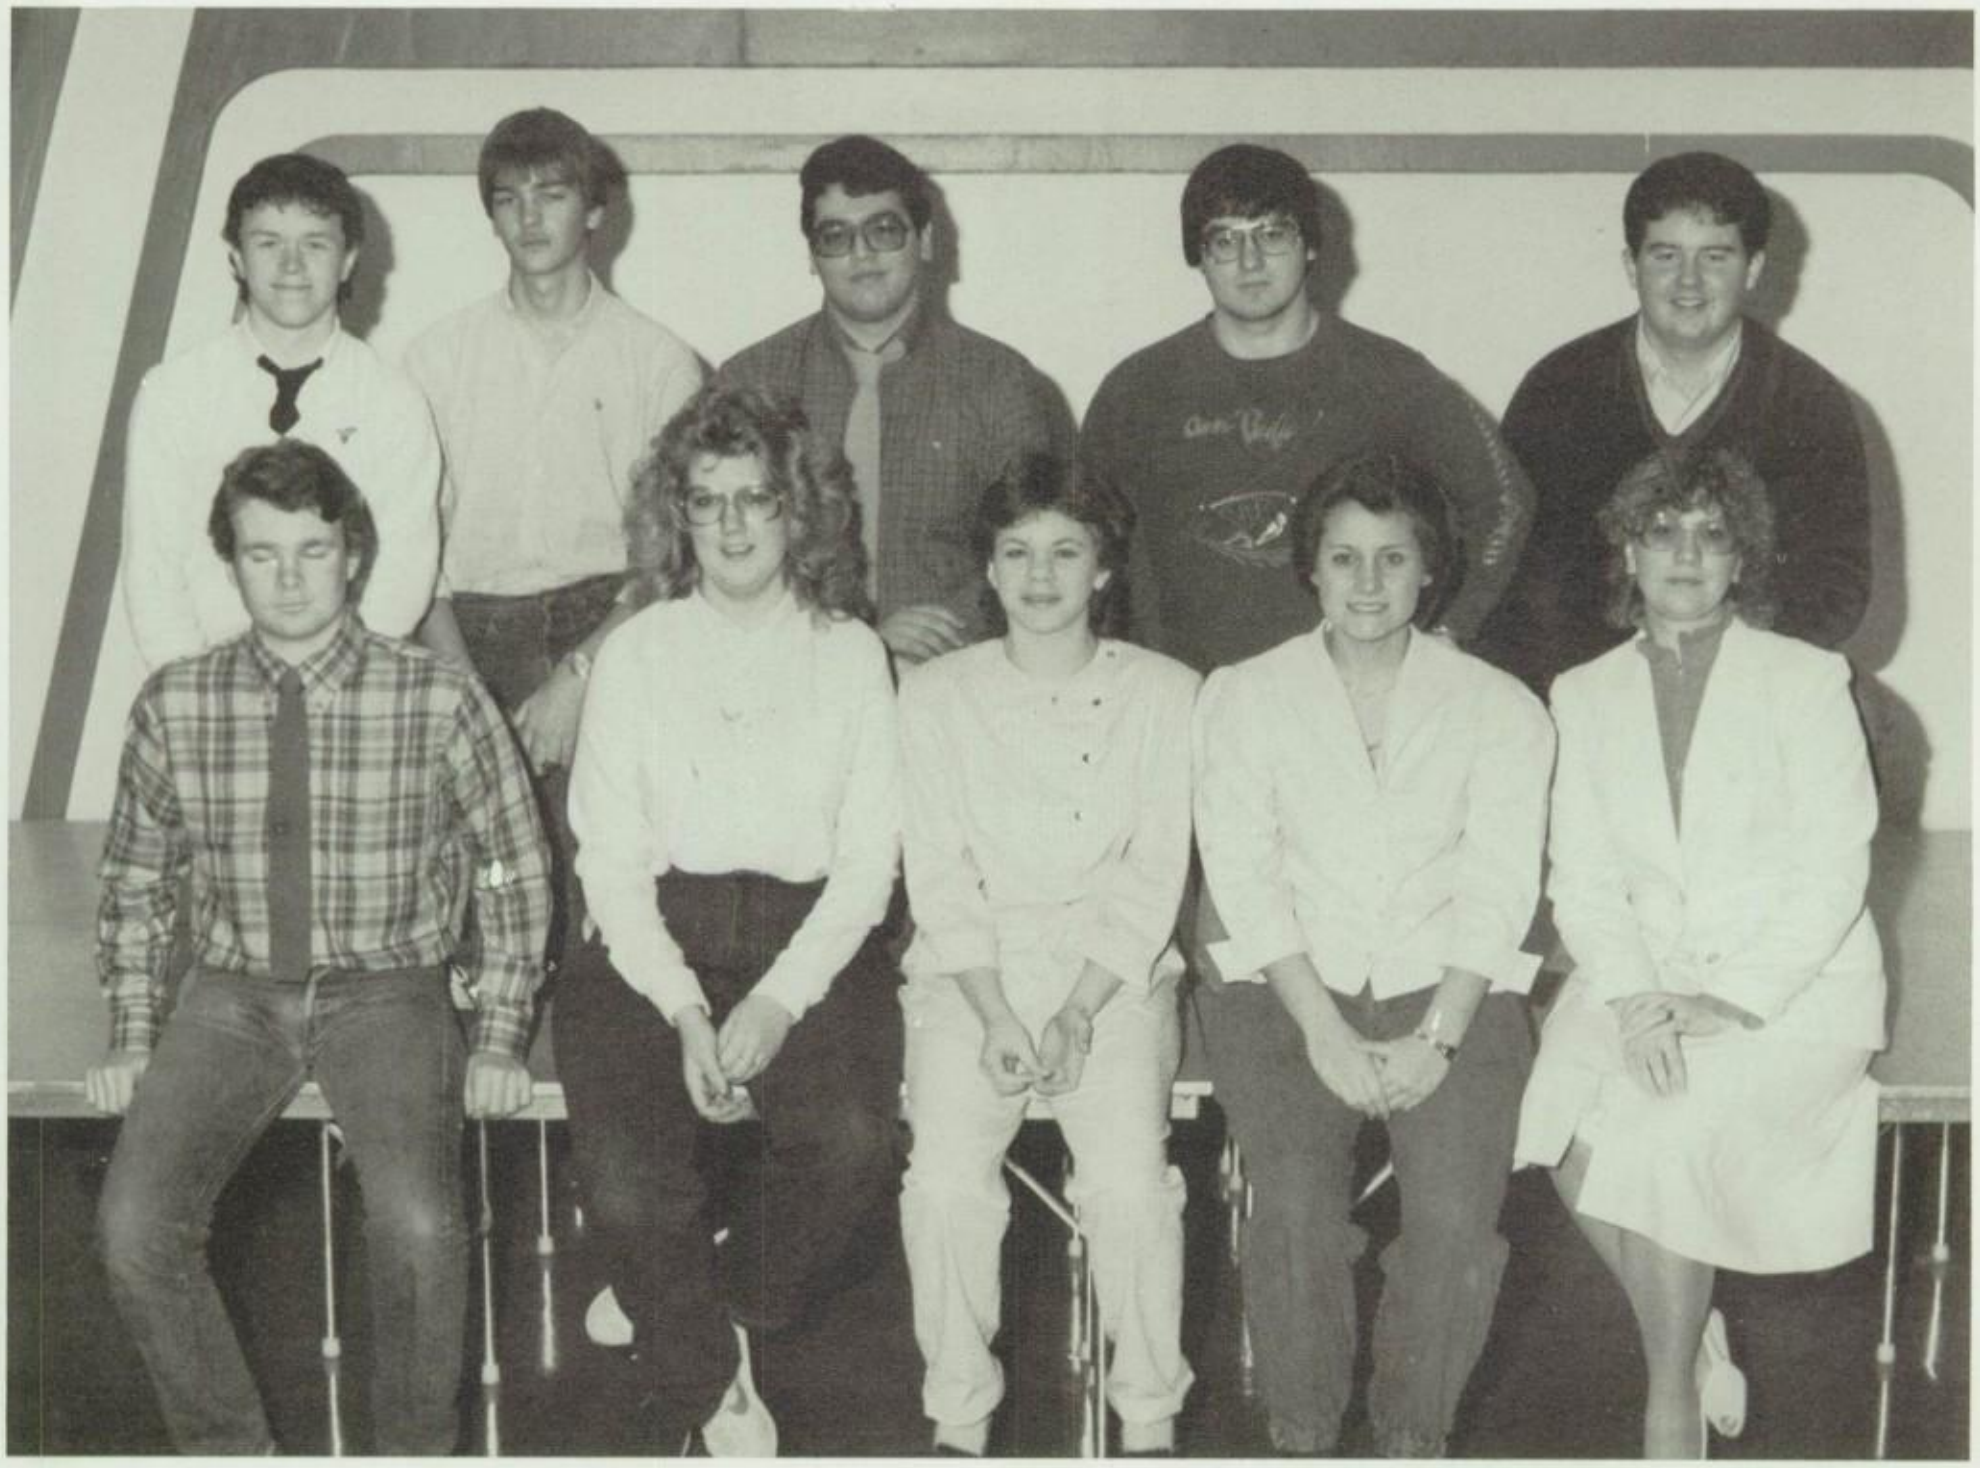
NEWSPAPER RENAMED "BUFFALO/BULLETIN"



Journalism students include: Vincent Prichard, Chris Good, Joe Gossett, Kathy Covington, Mrs. Brewer, Paula Henson, Joel Duncan, Darrell Hodges, Renee Smith, Katrina Robinson, Steve Miller, Glenda Cottier, Trent Trimble.

The school newspaper underwent some changes during the school year. In the fall a poll of all high school students was taken, and the name of the newspaper was changed to the Buffalo Bulletin. Another important change came in the format of the paper. During the fall semester the newspaper appeared as one page in the Sunday edution of the local paper. However, in January the paper became a four page tabloid which was published in the Sunday edition of the local paper, but was also made available to MHS students on Mondays.

The Bulletin began the year with an inexperienced staff, but experience was soon gained in all areas. Students not only interviewed and wrote the stories, but they also wrote headlines and cutlines, took, developed and printed pictures, and actually pasted up the pages. The newspaper class is a hands-on experience for those students interested in this phase of journalism.

SUPERINTENDENT
DR. OTIS LOVETTE

The class of 1984 will be remembered as a year of change – a year in which we all decided that less than our best was failure and we all began to expect more of ourselves. Complaints were heard about too much homework and tougher standards, but you rose to the challenge and surely will be better prepared for what is to follow. The year 1984 was a year when we all worked together to promote McAlester, our schools, our students, and our staff.

"Too much sanity may be madness and the maddest of all, to see life as it is and not as it should be."

---Man of LaMancha

During the 1983-84 school year we began the process of change toward "life (education and our schools) as it should be." We threw away the tried and untrue and began a new beginning. Hopefully, our future years will be filled with more challenges and greater rewards for students and those who are associated with our schools.

Best Wishes,
Otis K. Lovette

DR. LUCY SMITH
ASSISTANT SUPERINTENDENT FOR INSTRUCTION

PRINCIPAL MR CHARLES RANDALL

The cycle of school attendance is repeated yearly at McAlester High School. Freshmen begin the cycle and seniors complete it with graduation. From the beginning to the end of your association with MHS you are presented with many different choices and opportunities. You must realize that these are your opportunities and that it is your responsibility to take advantage of them and to benefit from them.

The years you spend in high school are especially formative years in your life. You will make decisions about friends, activities, and academic pursuits that will have a profound effect on you for the rest of your life. I encourage you to always use your God-given wisdom to make those decisions that will be beneficial to you and easy to live with.

It is my sincere desire that you leave McAlester High School with big dreams for your life and the ability to set goals for yourself that will shape the future for many people. Strive to be one of those who do the shaping rather than one who conforms to fit the mold made for them by others.

SENIOR INDEX

Looking back to the way things were
Realizing youth is now a memory
Looking forward to the way things will be
Searching for answers to the questions of life
Finding there are many to be left unanswered
Discovering that the unseekable can be sought
Conquering the unlimited that now seems so far
Seeking higher expectations of one's self
Learning to cope with reality
And finding a reason for continuing
Taking the first step on the ladder of success.

This little insight to your world has been brought to you by a weary yearbook staff. We're the ones you see walking around with cameras and screaming something about deadlines and Mr. Chandler. Yes we're the ones who stay at school day and night, striving to make your yearbook something to look forward to and cherish. If you like it we're glad, 'cause we did it for you. Let us know about it; we appreciate praise. If you didn't, please hold your peace, we worked too hard; criticism might just be the straw that breaks the camel's back. Come by and see us sometime – you'll find us pulling our hair out, biting our nails, or staring blankly into space.

Hey Cerrick
Thanks for having
such a great class!
Stay Sweet. Be good
May God Bless You

Lady Bug #41

Gerrick,
Where's the beef?
Every time you go to Wendy's,
They ask you Where's
the beef?

Gerrick,
It's been fun going
to school with you
this year. You
are one of the craziest
guys I know &
stay that way
you
you.
